TO WHOM IT MAY CONCERN.

As Surgeon General I am pleased to confirm that Normeca AS, for several years, have been a main supplier of medical equipment and material to the Norwegian Forces.

Over the last 10 years Normeca AS have supplied equipment and material at the value of NOK 35 000 000, -.

Normeca AS supplies material of high quality. They have, in a positive way, participated and contributed in developing solutions for both our war and peace tables of organisation and equipment.

I am pleased to recommend Normeca AS as a high quality supplier of medical equipment and material.
