The NorCare Bed

Equally suited for emergency conditions as for long term care

Apotekernes Fællesindkjøb Preparedness Department is well established in the field of medical relief materials to emergency-, disaster-, and developing areas around the world...

Apotekernes Fællesindkjøb has gained wide recognition among national and international NGOs as well as in the UN system and with local authorities as the supplier of Norwegian Mobile Hospital and Disaster Unit (NorHosp) and Norwegian Medical Aid System (NorAid). They are continuously seeking new areas for product development.
